Cumberland Occasional Tables
Designed by Norman Diekman

# Christina Table

The oval—an elemental form—receives an imaginative interpretation in the design of Christina tables. In addition to basic ovals, the line includes interlocking shapes created by notching a vertical edge on a slight angle. The result suggests a spiral while remaining true to the oval form. This versatility along with the range of heights and sizes offers many possibilities for interesting groupings.

**Specifications**
Side and coffee tables. Tapered oval, tapered oval with offset, or reverse tapered oval with offset tables. Tops with plain slice Maple or Walnut veneer, rift cut White Oak veneer, solid surface, or stone tops. Sides with plain slice Maple or Walnut veneer, or rift cut White Oak veneer. Grain runs vertical. Select coffee tables have recessed plinth base. Tables have nylon glides. Veneer with catalyzed lacquer finish in all Cumberland standard and custom finishes.

**Offset Explained**
Tables with offset will nestle together, and touch at the top of the offset. All tables will nestle with themselves except 3457 and 3458, which will have a gap between offset at top when same models are nestled together. All tables will nestle with other models. Reverse taper 3460 and 3461 were specifically created to nestle with 3457 and 3458.
