Drexel Bench

Cumberland Benches & Ottomans
Designed by Yohandel Ruiz of RTKL

Drexel Avenue lies in the heart of South Beach; the Drexel bench recalls the streamlined Art Deco buildings along that avenue. Its finely detailed upholstered seat rests comfortably in a tray-like bentwood foundation. An elegant metal base forms the underpinning. A welcome addition to private offices, lounge areas, and other public spaces, the Drexel bench combines upholstery, wood, and metal for a refreshing appearance.

Specifications
Bench in 3 lengths. Base of welded and smoothed stainless steel. Legs have nylon glides. Wood veneer platform in plain slice Maple or Walnut, or rift cut White Oak. Catalyzed lacquer finish in all Cumberland standard and custom finishes. Upholstered seat with 3" thick multi-density polyurethane foam wrapped in Dacron©. Slightly indented stitch detail at regular intervals runs across the depth.

Options – *Specify:*
