Fortis Meeting Tables

This table meets the demand for versatile conference room furnishings that accommodate all the senses. A wide range of sizes and material options address requirements for beauty and function. Full capabilities for power, data, voice, and audio support communication of all types. A completely enclosed base provides convenient access to wires and cables.

Specifications

Dining and conference tables. Round, square, rectangle, and boat shape tops. Wood tops with plain slice Maple or Walnut veneer, or rift cut White Oak veneer, or stone tops are available in two edge options. Enclosed base with panels in wood veneer, or optional tempered back-painted glass or faux leather. Extruded aluminum trim. Optional power/data.

Options – *Specify:*

Top: 1.25”-thick lumber-banded wood veneer top, or 3 grades of 1.25”-thick stone. Wood veneer tops in plain slice Maple or Walnut, or rift cut White Oak. Grain direction on a single-piece veneer top runs the length, and on multiple piece tops it runs the width.

Edge: Standard with Square or Reverse Bevel edge.

Wood: Maple is standard. Walnut and White Oak are also available at no additional charge.

Finishes: Standard in any MP- on Maple finish, any WL- on Walnut finish, or any WO- on White Oak finish.
Add $140 list per item for any CWO- on Cerused White Oak finish.
Custom finishes are also available.

Base Panels: Maple is standard. Walnut and White Oak are also available at no additional charge.
When specified with a wood top, the base will match the top unless specified otherwise.
Faux Leather and tempered back-painted glass panels are optional, refer to Upcharges column in pricing below.

Faux Leather: Available in any Maharam Lariat color.
Other Faux and COL leathers are available for an additional charge. Contact customer service for additional information and pricing.

Painted Glass: Standard in White Satin back-painted glass with an acid etch surface.
Other painted glass colors are available and have a smooth surface.

Metal Trim: Base molding trim and power data units are standard in Polished or Satin aluminum.
Add $375 list per item for STB-Statuary Bronze or Powder Coat colors WHT-White, SLV-Silver, DKB-Dark Bronze, or BLK-Black.
Add $1125 list per item for PBR-Polished Brass.

Power: No power is standard. Power/Data units are optional. The round and square tables can be specified with (1) 6” square device. Rectangular tables can be specified with a full base-length Power/Data trough.

Square: 6" square Power/Data Center contains (2) grounded simplex outlets, (1) 2.1-Amp Dual USB outlets, and your choice of (1) telecom knockout 15-Amp circuit. All units have convenience receptacles. Standard with 6' power cord. Can be hard wired as an option upon request at no additional charge. The exterior door finish is available in Satin Aluminum, Polished Aluminum, or Statuary Bronze metal finishes.

Trough: Power/Data Center Trough. Each top section contains (4) grounded simplex outlets, (1) 2.1-Amp Dual USB outlets, and your choice of (3) telecom knockouts. 15-Amp circuit. All units have convenience receptacles. Standard with a 6' power cord but can be hard wired as an option upon request at no additional charge. The exterior door finish is available in Satin Aluminum, Polished Aluminum, or Statuary Bronze metal finishes. Electrical connections and additional modules by customer.

Knockouts: A blank telecom plate is standard. Contact customer service for additional options.
